Sign in now.**Bird:** Siskin**Nickname:** Yellowbelly

**About:** I took this photo while drinking my coffee in the morning, before work. Had to Google the type of bird straight after. But I decided to call him Yellowbelly because of his gorgeous color.

**Camera Type:** Nikon**Uploader:** DaithiShan**Added on:** 10.33pm,  
3rd June 2021[Edit Profile](#)[Delete Profile](#)**Leave “Yellowbelly” a comment!****Submit**
